

## Rutgers DSW Program Syllabus

**Module Title:** Examples of Qualitative Research III

**Instructor:**

**Residency:** February 2019

**Date:**

---

### **Module II Description:**

For this module, students will read two examples of published qualitative research, focusing not only on the findings of the studies but also on methods, including data collection and data analysis.

### **Module Objectives:**

As a result of this module, students will be able to:

1. Describe the purpose of qualitative research and the research questions that it is typically used to answer.
2. Explain how the methods used in Study 1 (grounded theory), which will be presented in-depth during the first half of the module, differ from Study 2 (thematic analysis).

### **Required Readings:**

#### **Study 1**

Alessi, E. J., Kahn, S., Woolner, L., & Van Der Horn, R. (2018). Traumatic stress among sexual and gender minority refugees from the Middle East, North Africa, and Asia who fled to the European Union. *Journal of Traumatic Stress, 31*, 805- 815.

#### **Study 2**
